720-722 MAIN STREET, NEWTON, KANSAS

Phone ATwater 3-5100

This building, containing over 9,000 square feet of floor space, is a gift of Mrs. Elva K. Leisy as a memorial to her parents, Rev. and Mrs. H. P. Krehbiel. Completely remodeled and arranged for office use by the Conference, it now houses all Conference offices, vault, bookstore, and storage facilities.

Conveniently located across from the post office in Newton, it is assured of quick communication which is so essential to the work of the Conference. Newton, a city of over 13,000, is a main division point on the Santa Fe and on the crossroads of several major highways.

Besides the central offices of the Conference, other Mennonite institutions are located in the Newton area — Mennonite Press

(jointly owned by Conference and college), Bethel College, Bethel Home and Hospital, Prairie View Hospital, Meadowlark Homestead, and the MCC offices and clothing and relief center for the Midwest.

The central office facilities and bookstore are here to serve you and your church . . . in the area of missions, relief, peace, disaster service, Christian education, Christian literature, books, Bibles, women's work, projects for men's groups, large or small investments through wills and annuities for the cause of Christ, in fact these offices now can serve in almost any matter that concerns the church and her people. It's for you to use, to visit and see for yourself what is being done here. The central offices are yours. Let them help you in making your Christian witness!

THE HANDBOOK OF INFORMATION

is published annually by the General Conference Mennonite Church for the purpose of presenting to all its 50,000 members and others who may be interested all pertinent information about this Conference organization and its ongoing work program.

Heretofore the Handbook was published for the calendar year. This year the publication dates are from July 1, 1957, to July 1, 1958.

CENTRAL OFFICES — NEWTON

Some years after the General Conference was founded and Mennonite churches in various parts of the country were joining, the leaders became aware of the need for a central office and a central treasury. Among those leaders were Rev. H. P. Krehbiel who proposed and promoted the central offices plan, but did not live to see it established.

After his death his daughter, Mrs. Elva K. Leisy, of Dallas, Texas, was encouraged by Rev. C. E. Krehbiel to give the building at 722 Main St., Newton, Kansas, to the Conference as the "home" for the Conference and as a memorial to her parents. The central treasury, administrative office, and publication office were established and in rapid succession the offices of the various Conference boards, Women's Missionary Association and the YPU were added.

On March 23, 1955, the building adjoining the central offices on the south was dedicated by the Conference. Here again Mrs. Leisy gave the building to the Conference (this time on an annuity basis) for the purpose of bringing together in one building the publication office, the Newton bookstore, shipping and stockroom together with other Conference offices. The building was remodeled by the Conference at a cost of approximately \$14,000.

With this addition, the central offices of the Conference are in a position, not only to handle the mission and other work of the Conference more expeditiously and economically, but also to take care of the fast expanding work of the Conference as well.

On May 19, 1957, the second floor of the Conference buildings was remodelled at a cost of \$14,000. In these upstairs offices are housed all the offices of the Board of Education and Publication, YPU, radio, and the Western District Conference.

Members of the Conference, when in the Newton area, are urged to visit the central offices and bookstore. To see the offices and meet the staff is the best way to get a good understanding of the importance of these offices and what they mean to the work of the Conference as well as what they mean to each Conference church.

MINISTERIAL ORDINATION

There is still a need in the General Conference for great uniformity in the matter of ordaining ministers and the rights and duties with which a candidate is vested by virtue of his specific ordination. We trust that in the near future this will be accomplished.

The General Conference in its session of 1945 adopted certain principles of procedure which appear in the Minister's Manual. In order to make this important information available to a larger circle we give here a few excerpts, and regret that for lack of space we cannot reprint the complete statement. (The numbering of the paragraphs here is our own.)

1. Ordination should take place only after a person has been appointed to a definite field of service.
2. Before ordination the candidate should have served in a church, or churches, under the supervision of some constituted Conference or church authority for about one year if possible.
3. Letters of recommendation or statements regarding the candidate, his work and his fitness, should be available from each of the following:
 - a) A statement from the church or station at which the candidate last served, regarding the type and quality of his services.
 - b) A statement from the candidate's home church indicating his standing as a church member.
 - c) A brief autobiography together with a statement of the candidate's Christian experience leading to his call to the ministry.
 - d) Customary transcripts from schools attended above the eighth grade.
 - e) A written statement from the candidate as to his agreement (1) with the Statement of Doctrine as approved by the General Conference in 1941; (2) with the Mennonite peace principles; and (3) with the work of our Conference, its boards and institutions; and his willingness to support the same.
4. The candidate shall supply the General Conference Secretary with a complete record of all materials listed in paragraph 3 above, pertaining to his qualifications.
5. Any General Conference minister who hereafter ordains an evangelist, minister, missionary, or elder, shall within thirty days report such an ordination to the General Conference Secretary. (Report forms can be secured from Central Offices.)

MENNONITE WORLD CONFERENCE

Every five years Mennonites from all parts of the world assemble at some appointed place to discuss matters of mutual concern. The date and place of the 1957 session is August 10-16 at Karlsruhe, Germany. A planning committee prepares an interesting program for these meetings. The General Conference and the various district conferences are represented by duly elected delegates.

Many Mennonite institutions are also officially represented.

The significance of the World Conference of Mennonites lies in its "ecumenicity" and the opportunity it affords to Mennonites all over the world to assemble in fellowship and face important issues, problems, and common interests in order to strengthen the bonds of unity and find a new outreach in service in a needy world.

GENERAL CONFERENCE MISSIONS

To the Board of Missions is given the responsibilities of the Conference in the areas of missions and evangelism at home and abroad.

The Board of Missions is *one* board, though for deliberation of some details, the Board divides into "foreign" and "home" sections. All directions and resolutions are of the total Board and not of parts of sections of the Board.

1. The section on Foreign Missions calls and sends out missionaries to and supervises the work of missions in the foreign fields.
2. The section on Home Missions calls and sends out missionaries to and supervises the work of missions in the areas within North America and also among Mennonite colonists in South America.

As auxiliaries to the Board of Missions are the following committees, the membership of each being composed of two who are members of the Board and three or more non-members of the Board, appointed by the Board:

1. The Committee on Church Unity, promotes unity among the member churches of the Conference and the branches of Mennonites throughout the world. It receives applications from congregations and church conferences seeking membership within the General Conference Mennonite Church, studies such applications and forwards them with recommendations to the Executive Committee of the General Conference.
2. The Committee on Evangelism promotes interest and a sense of concern in the area of Gospel witness and outlines training for an effective witness in our churches and mission points at home and abroad.
3. The Committee on Mission Personnel presents the challenge of full time Christian service on mission fields at home and abroad. It contacts such who in the estimation of the Committee would because of abilities, training and Christian dedication make valuable contributions as missionaries on the field. It receives applications from missionary candidates and refers them to the Board for action.
4. The Committee on the Ministry arranges for a program of recruitment for the ministry. It offers advice and counsel in regard to training and recommends scholarships for worthy candidates. It provides a program of placement of ministers.

Mission Accomplishments in 1956

Twenty new missionaries were sent out to our different fields and twenty-two missionaries were returned to their fields after their furloughs. God gave the Board the faith and courage to send out the workers.

As a definite step forward and in line with Goal 10 of the Winnipeg Conference, we are developing a co-operative mission of fellowship with our Colony people in Paraguay. In 1953 literary classes were started for the Lengua Indians residing close to Meno in the Chaco. The response to the opportunity of learning to read and to write and to learn of the Gospel of Salvation resulted in the beginning of a Mission station, "Loma Plata." This work as well as other efforts to reach neighboring tribes of Indians is being directed by the Mennonite churches of Paraguay, but is now also supported by our Board.

Our Board has taken over the work at Gulfport, Mississippi. The Christian context in which the MCC did its work among the colored people there, resulted in the establishment of a program which the MCC felt should now be supervised by the Board of Missions.

In Formosa also plans were completed to transfer the MCC work to the responsibility of the Board of Missions.

And the MCC work in Mexico is being turned over to two boards of our conference organization — The Board of Missions and the Board of Christian Service. The Board of Missions has for some years been co-operating with the MCC program by supervising the church and school in Cuauhtemoc and Santa Clara. In this new arrangement for the work in Mexico, our Board will need to help the Board of Christian Service to find the proper personnel for the agricultural work and the hospital in Cuauhtemoc. —John Thiessen

"GIVE US THIS DAY OUR DAILY BREAD"

Thus Jesus teaches us to pray. The implication is that our Lord recognizes our daily, regular needs. It is like that in our total mission program. Our over 200 missionaries need their daily food. We as a church conference have sent them to the fields. In addition, we have on our mission fields a thousand national coworkers serving as evangelists, teachers, and medical workers. All need daily bread. Houses must be built and kept in order. Travel facilities must be kept ready for use to bring the Gospel to near or distant villages. Missionaries must have furloughs and our congregations rightly ask the missionaries to come home to report and stimulate mission interest. In a word, our mission treasury is regularly and constantly called on to meet the regular needs. Can we as a constituency become increasingly regular in replenishing this treasury, somewhat as we replenish our pantry with daily bread? "Oh, Lord, help us to see the regular daily need in Thy great kingdom cause."

Relationship With Congo Inland Mission

The Board of Missions entered a cooperative arrangement with the Congo Inland Mission in 1943. Until that time the Evangelical Mennonite church and the Central Conference had unitedly worked the Congo Inland Mission field. (The Evangelical Mennonite Brethren Conference entered Congo Inland Mission at the same time, that is, in 1943.)

In recent years the Central Conference has joined General Conference and the Evangelical Mennonite Conference and the Evangelical Mennonite Brethren Conference have joined.

The Congo Inland Mission Board is composed of representatives of all these Mennonite Conferences. Present General Conference Mission Board members on the Congo Inland Mission Board are: Rev. A. E. Kreider, Dr. S. F. Pannabecker, Rev. Lotus Troyer, A. R. Shelly, Rev. John P. Suderman, and Milo Miller.

Mission candidates from General Conference churches are processed by our own General Conference Board of Missions, and if accepted they are recommended to the Congo Inland Mission. If suitable for a given opening they are sent out by the Congo Inland Mission Board, our conference paying transportation, personal and field allowances, though they work under the Congo Inland Mission Board.

DISCIPLINE STUDY

The Study Conference on the Believers' Church in Chicago had as one of its recommendations the study of discipline by a special committee to be appointed after the conference. The Executive Committee of the Conference assigned the general responsibility for this task to the Church, Home, and Community Committee, a committee functioning under the Board of Education and Publication. A Discipline Study Committee was appointed. The following persons are members of this committee: Jacob T. Friesen, Chairman; C. J. Dyck, A. E. Kreider, Henry Poettcker. The committee has adopted the following method for carrying out its assignment: The first period is assigned for research and study. This will be followed by a formulation of a statement on discipline by members of the committee with the help of others. Then this statement will be referred to groups within the Conference for discussion and suggestions, after which the statement will be reformulated and presented to the General Conference August, 1959.

IN THE FIELD OF EDUCATION AND PUBLICATION

Growing, teaching, producing, seeing, interpreting, co-ordinating, and communicating are some words that can apply to the work of the Board of Education and Publication. We selected each one to describe a different committee that works under our Board, yet because each job is a manifold job, all seven could apply to almost every phase of our work.

Growing

Irrepressible is growth. It takes place in family worship, in boys work, in leadership education, in the Sunday school program, in children's work, in retreats, in youth work, in a study of the doctrines of the church. All of these are projects of the *Committee on Education in Church, Home, and Community*. Of special interest is the statement it is preparing on church discipline to be considered at the next session of General Conference.

Teaching

The *Editorial Committee* does not teach directly, but its role of providing teaching materials for those that do is the weightiest assigned any committee. It is responsible for all curriculum materials published in the Conference as well as Conference periodicals and storypapers. Graded Sunday school materials for children designed to teach the Bible effectively is this committee's largest endeavor.

Producing

Right in the middle of all Board activity is the *Publishing Committee* and its work is central as it takes written material, prints it, and distributes it. Agencies for its work include Mennonite Press (a partnership operation with Bethel College), North Newton, Kansas; the Mennonite Publication Office (whose publishing name is Faith and Life Press); and our three Mennonite Bookstores at Newton, Kansas; Rosthern, Saskatchewan; and Berne, Indiana. The bookstores serve the Conference by supplying the congregations and their members with Christian literature and supplies, and at the same time support by their earnings the publication work of the Board.

Seeing

Teaching materials include not only the printed page, but filmstrips, films, filmstrips, and recordings. The Audio-Visual Library, an interboard service and an agency of the Mennonite Publication Office collects and distributes audio-visual material. Policies for this program are determined by the *Visual Aids Committee*.

Interpreting

Life is fourth-dimensional because we live in time. While we cannot know the future, a better knowledge of the past helps our direction in the present. The *Historical Committee* is responsible for collecting and keeping those things that will help us. Mak-

ing this material available for study in our libraries and through publications they help the church to interpret its life.

Co-ordinating

Our schools serve regional constituencies, yet they make a total impact on the Conference. The *Committee on Educational Institutions* promotes and co-ordinates the program of institutional education in the Conference.

Communicating

In all of its work the Board is specializing in several fields of communication. For this reason the Radio Committee has been included in its program. It produces a devotional program, "Faith and Life," on KJRG, Newton, Kansas, every weekday at 6:45 a.m. and 12:15 p.m.

And One More

To all of these words we might add the word *paying*, for most of these activities cost something. The 1957 budget for the Board is \$62,500, its largest in recent years. Items included are support of committee work, partial support of Young People's Union, subsidy for children's storypapers, staff services, and graded curriculum production.

This year a big step forward was taken in the production of curriculum materials. The Mennonite Publication Office announced the Nursery Home and Church Series including Nursery Song Book, Nursery Stories of Jesus, and Nursery Happy Times Book. These materials can be ordered on a regular Sunday school order from the Publication Office.

CONFERENCE GOALS FOR THE 1956-1959 TRIENNium

1. Every member a personal witness.
2. Every congregation seeking a mission outpost.
3. Fifteen new congregations by 1959.
4. Every member a tither.
5. EVERY CHURCH SUPPORTING EVERY BOARD.
6. A voluntary service worker from every congregation.
7. Every pastor prayerfully seeking a new recruit for the ministry.
8. A strong Spirit-controlled Seminary program, receiving whole-hearted support.
9. Trained personnel and adequate facilities for the teaching program.
10. Reaching at least one unevangelized tribe with the Gospel.
11. Every member knowing Christ "and the power of His resurrection, and the fellowship of His sufferings, being made conformable to His death."

These goals were officially adopted at the Winnipeg Conference in August, 1956.

IN THE FIELD OF RELIEF AND SERVICE

To understand and undergird this area of Christian work as part of our total mission we must remember as J. J. Enz told us at Winnipeg, 1956, that biblically word and work, body and soul, individual and group, present and future hope must not be splintered from each other, but held together in the power of the Spirit.

New Developments

1. Women in Church Vocations (WCV) program organized.
2. Mexico hospital, agriculture, and relief being transferred from MCC to GC.
3. Committee on Social Concerns initiated to study and work with temperance, ethics in economic life, race, agricultural surplus, etc.
4. "Brotherhood in a modern way" through co-operation with hospital and surgical cost sharing plan of Mennonite Aid., Inc.
5. Many districts changing from peace committees to "peace and service" or as in Canada to the Canadian Board of Christian Service.

REMEMBER YOUR CONFERENCE IN YOUR WILL

A little booklet on wills called "20 Questions," now being prepared by the Board of Business Administration of the General Conference, deals with some of the simple but vital questions about making a will, such as the following:

Should I have a will?
Should I have help in making my will?
May I change my will once it's written?
Can my will easily be broken when I'm gone?
What about the problem of fees and taxes?
Should I include a bequest in my will for some work of the General Conf.?
How should I do it so I can be sure it will go for that cause?

These and other questions are answered briefly and to the point in the little "20 Questions" booklet. Copies may be had by addressing the Executive Secretary, Board of Business Administration, 722 Main St., Newton, Kansas.

SUNDAY SCHOOL PROMOTION

The Board of Education and Publication intends to do all it can to strengthen the Sunday school. This it will seek to do through: 1) Regional Sunday school clinics or workshops, 2) Definition of goals for the Sunday school, 3) Constant revision and strengthening of our own Sunday school materials, 4) Increased emphasis on leadership education, 5) Meeting of all district education committees to seek ways of strengthening the work of our Sunday schools in the districts, together with a discussion of ways and means of correlating the work of Christian education within the Conference.

Your Support Is Needed!

Never before have the four boards of the Conference been faced with more opportunities for service in almost every area of need than this year. Although more work is being done by the Conference than ever before, new requests for financial and spiritual needs keep coming in. How shall these needs be met? That is the question!

CHRISTIAN SERVICE OPPORTUNITIES

Mexico

The Board of Christian Service has gradually been taking over the MCC program—the hospital, agriculture, and relief aspect. On the field these aspects are linked with the Board of Missions' church and school program to make **one program** of missions and service. Getting a private hospital and permanent experimental farm base are the immediate goal of our service program. The long range mission with Mennonites to Mexicans is tremendous. We cannot afford to separate word and work!

Mission-related VS

We need MCC VS to guide our young people into all types of need around us in this country. For ten years we have had a gradually growing mission-related summer program as a conference. Increasingly we have felt led to enlarge the year around mission-related VS opportunities.

Leo Driedger of Saskatchewan comes into the Board of Christian Service office to give his priority time to VS. Mexico, Gulfport, our Indian fields are pushing us for volunteers. In northern parts of Canada our provincial groups are leading out — our board will endeavor to assist by promoting those efforts conference wide as VS opportunities.

Social Concerns

This is a new committee of our board to help us think through our Christian position on various fronts that have been neglected among us — temperance, Christian and modern business dealings, labor union, non-violent efforts of the Negroes, agricultural surplus and the like. Then knowing our Christian direction in these areas we need to make a witness within the context of our total gospel mission.

"WCW"

The Committee on Women in Church Vocations, having studied the need for more trained women in church vocations, has now made a modest beginning to help guide and finance interested girls. Marion Keeney is taking the lead in promotional activity.

New Emphasis on Mutual Aid

With an enlarged committee of businessmen and farmers, with incorporation in process, with the priority time of Fred Unruh, the General Conference Mutual Aid expects to develop in line with the sense of leading we have felt. The hospitalization and surgical plan of Mennonite Aid, Inc., is being promoted, the placement service is meeting an ever greater need. We are still searching for sound ways to help young people get a start in a new or smaller community where our church has interests.

MEMORIAL GIFTS

1. Memorial Cash Gifts Instead of Flowers

At the time of death of a loved one or friend, many of our people prefer to make a cash gift to some worthy cause rather than give flowers.

2. To Simplify Making Such a Gift—

the Conference has prepared Memorial Gift folders which you can get from your pastor or by writing to Conference Office, 722 Main, Newton, Kansas.

MEADOWS MENNONITE HOME

Meadows, Illinois

Meadows Old People's Home located at Meadows, McLean County, Illinois, was legally organized a not-for-profit corporation under the laws of the State of Illinois, June 6th, 1919. The organization was formed by representative men from the Central and Defenseless Conferences of Mennonites and is supported by the several congregations of Mennonites who wish to co-operate in this work. The building was begun in 1922, the plans for which called for an administration building and an east and west wing. The west wing was built in 1951, completing the building. At this time the constitution and bylaws were revised and the name of the institution changed to MEADOWS MENNONITE HOME. Superintendents and matrons who have served the Home are Mr. and Mrs. J. H. Klassen, 2 years, Rev. and Mrs. G. I. Gundy, 22 years, and Rev. and Mrs. Frank R. Mitchell, since March, 1947.

TWO DISTRICTS MERGE

The long-awaited merger of the Middle and Central district conferences was accomplished at Normal, Ill., April 26, when the two groups met separately to hear reports of their 1956 activities and to dissolve their existing organizations, and then jointly adopt a constitution for the new district, elect officers and committee members, and lay plans for the future.

The merger was effected in a simple ceremony led by General Conference President Erland Waltner who placed a single candle at the apex of a seven-branch candelabra with the statement that the candle represented Jesus Christ in whom is the unity of the church. On one side of the candelabra Earl Salzman, president of the Middle district, then placed three candles lighted earlier in a ceremony dissolving the Middle district, and Lotus Troyer, president of the former Central conference, placed three candles on the other side. In this way symbolic expression was given to the idea that the two districts are now one, with Christ as their head. . . .

Elected to lead the new organization during the first year of its history were: Lotus Troyer, Meadows, Ill., president; Olin Krehbiel, Berne, Ind., vice-president; Howard Gilliom, Berne, Ind., secretary; Theodore Sommer, Pekin, Ill., treasurer; R. L. Hartzler, Bloomington, Ill., field secretary. (The foregoing are excerpts from an account of this merger by Robert W. Hartzler, in "The Mennonite" of May 14, 1957.)

On pages 81 and 84 are listed the 1956-57 officers of the Central and Middle district conferences.
